Aon gathers data containing information about its clients and their insurance placements, including, but not limited to, names, industry codes, policy types and policy expiration dates, as well as information about the insurance companies that provide coverage to its clients or compete for its clients' insurance placements. This information is maintained in one or more databases.

Aon may use or disclose information about its clients, if required to do so by law, Aon policy, pursuant to legal process or in response to a request from law enforcement authorities or other government officials. In addition to being used for the benefit of Aon's clients, these databases also may be accessed by other Aon affiliates for other purposes, including providing consulting, and other services to insurance companies for which Aon or its affiliates may earn compensation.

Due to the global nature of services provided by Aon, the personal information Client may provide may be transmitted, used, stored and otherwise processed outside the country where Client submitted that information.
