This architectural site plan illustrates the layout of the 'L' shaped building complex. The plan includes the following elements:

- Building Footprints:** The main building is an 'L' shape. Various rectangular and polygonal shapes represent other buildings in the surrounding area, some with hatching to indicate specific materials or structures.
- Streets:**
 - VIA CESARE PAVESE** runs horizontally along the top edge of the plan.
 - CORSO FRANCA** runs vertically along the left edge of the plan.
- Landscaping:** A row of seven stylized trees is planted along the southern side of CORSO FRANCA, adjacent to the main building complex.
- Internal Layout:** The main building contains a detailed floor plan showing multiple rooms, corridors, and service areas.
- Labels and Annotations:**
 - INTEGRAZIONE 1990:** This label appears twice, pointing to specific rectangular additions on the eastern and southern wings of the main building.
 - INTEGRAZIONE 2000:** This label points to a small rectangular structure located to the east of the main building's central section.
 - Area di vegetazione di servizio:** This label points to the row of trees along CORSO FRANCA.
 - INTEGRAZIONE 2000:** This label points to a small rectangular structure located to the south of the main building's central section.
- Other Features:** A circular feature, possibly a pond or a large tree, is located in the upper left quadrant. A long, narrow rectangular structure with diagonal hatching is located in the upper right quadrant.
