**QUADRO ELETTICO**

- The diagram illustrates four types of lighting fixtures and their installation methods:

  - ARMATURA STRADALE SU PALO**: A street lighting fixture mounted on a pole, represented by a red circle with a cross inside.
  - ARMATURA DA GIARDINO SU PALO**: A garden lighting fixture mounted on a pole, represented by a red circle with a cross inside.
  - LINEE ELETTRICHE**: Power lines, represented by a red line with a cross inside.
  - SCAVO E CANDIDOTTO**: Excavation and trenching, represented by a red line with a cross inside.
